**Australian  
PANELS**

**easy**craft<sup>®</sup>  
stylish solutions for walls and ceilings

### Installation made easy

Easycraft panels include the easyJOIN+ system that allows for a fuss free, quick installation. The panels are identified by a green tongue for general purpose interior and a blue tongue for wet area interior and semi-exterior applications.

# Silhouette range

Crafted by the architectural and design communities, this innovative range of decorative panels provides depth, distinction and texture for your next unique design. Available in a range of different profiles and spacings, the tactile nature of the Silhouette profiles play with light to produce organic shapes and shadows.

## Suitable for:

- General purpose interior wall and ceiling linings
- Residential and commercial applications

## Product features:

- Made from high quality machine grade Moisture Resistant (MREO) MDF
- Designed to feature dramatic lines and shadows
- Primed and ready to paint for fast, easy installation
- Consistent finish with no knot holes, splitting or splinters
- High impact resistance sheeting, 300% tougher than plasterboard
- Tongue & groove joining system for a seamless install
- Australian Made & Owned
