Installation made easy

Easycraft panels include the easyJOIN+ system that allows for a fuss free, quick installation. The panels are identified by a green tongue for general purpose interior and a blue tongue for wet area interior and semi-exterior applications.

Silhouette range

Crafted by the architectural and design communities, this innovative range of decorative panels provides depth, distinction and texture for your next unique design. Available in a range of different profiles and spacings, the tactile nature of the Silhouette profiles play with light to produce organic shapes and shadows.
