## GENEROSITY

Luxurious, opulent and elevated by rich timbers, aged brass and tan leather. A palette perfect for a bold kitchen, bedroom or living room.

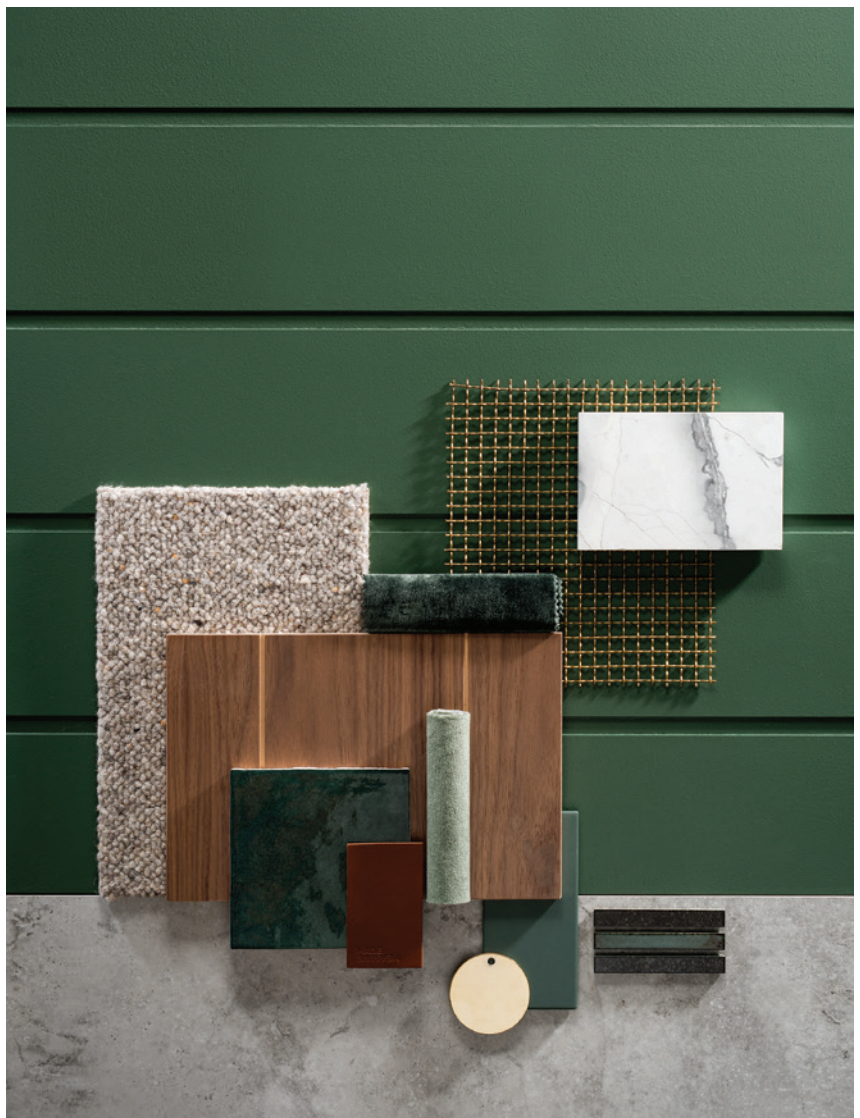

There are three responses to a design idea - yes, no and WOW!

If you have a dedication to beauty, quality and unexampled luxury, you'll be bewitched by the opulent sophistication of this design style.

Creating an exhilarating contrast with the texture and visual interest of our **easyline** profile, the atmospheric deep green, rich dark timbers, aged brass and tan leather present a provocative palette. This style is begging to be experimented with in a bold living room, bedroom or statement kitchen.
