

Decorative Wall Linings

The **ascot.Vogue** provides the luxury feel and formal aesthetics of the classic easyascot panel, but now has a more distinct profiled section, perfect for creating engaging wall features with a more contemporary style.

ascot.Vogue

Suitable for:

- Decorative interior wall linings
- Ideal replacement for traditional plasterboard
- Perfect for bold feature walls & dado height panelling
- Residential applications: hallway, entry areas, dining, lounge, family, bedroom
- Commercial applications: Corridors, foyers, classrooms, offices, rental properties, retail, restaurants, apartments, hotels, aged care facilities

Product features:

- Panel backing is primed to reverse for a smooth finish option.
- Made in Australia using all Australian grown species
- Consistent board surface, no knot holes, splitting or splinters
- Features decorative profile to product face
- Hidden tongue & groove *easyjoin* system

Comparison to traditional plasterboard:

- No joint sealing or sanding required
- Comes pre-primed for faster, easier final coating
- The *easyjoin* system makes installation 50% quicker
- Provides high impact resistance, 300% tougher

Environmental commitment:

- Easycraft Australia is committed to sourcing the using the best available environmentally sustainable timber
- Manufacturing under AS 4707:2014 – Chain of Custody compliant management system for certified wood and forest products
- Base substrate has received Ecospecifier Global GreenTag dual certification
