Easyscreen - Mini range suitable for:

- Unique look to finish off a feature wall or entrance area
- Creating a strong visual impact through the use of multiple panels, both vertically and horizontally
- Smaller feature partitioning or simply used as wall art décor

Ordering and installation:

- All products are MADE TO ORDER and cannot be returned
- All screens come with a primer coat to both sides ready for final coat finish

- Board sizes are nominal and can vary (slightly) in width and length
- Any framing used for mounting purposes must be straight and true
- If hanging screens ensure your support structure is sufficient to handle the total combined screen weight
- Screens are heavy so please ensure you have sufficient people and/or equipment available when installing
- No installation fittings or hanging accessories are provided with screens. To be purchased separately
- Images shown are representative only, top and bottom border will be larger on actual sheet, allowing for trimming
