

Wall & Ceiling Linings

The easycraft residential range is available in the following substrates to suit your chosen environment and application.

GP

General Purpose Interior

Look for the Green Tongue

Designed for interior walls and ceilings in a range of decorative profiles. Durable, functional and 100% Australian made.

Suitable for:

- A replacement for traditional plasterboard or to cover existing wall finishes.
- Residential applications: Dining, kitchen, lounge, family, bedroom, study, media, games.

WA

Wet Area Interior

Look for the Blue Tongue

An ultra-high moisture resistant board that is offered in a range of decorative profiles. Allows seamless flow from living rooms to wet areas. Includes the hidden easyjoin system.

Suitable for:

- Use in areas subject to high moisture and humidity for walls & ceiling linings.
- Residential applications: Bathroom, laundry, kitchen, basement, garage, storeroom.

SE

Semi Exterior

Look for the Blue Tongue

The perfect product for outdoor-undercover use. This pressed hardwood wall and ceiling lining comes pre-primed and ready to paint.

Suitable for:

- Use in semi exterior undercover areas for walls & ceiling linings.
- Residential applications: Alfresco, patio, outdoor rooms, bbq areas.
